MATCH PREPARATION AND ADVICE

Competing in the Fuzzy Balls Community Tennis Open is not just about skill; it's also about preparation. Here are some key pieces of advice to help you perform at your best.

Dealing with Heat

- **Prepare in Advance:** Practice in sunny conditions to acclimate your body to the heat.
- **Stay Cool:** Drink cold fluids before, during, and after matches to maintain your core body temperature. Free ice-cold water will be available at the courts.
- **Take Breaks:** Use the air-conditioned Player Lounge between matches to cool down, but don't stay for too long to prevent sudden body temperature changes.

Hydration Tips

- Drink water and isotonic drinks regularly. A simple way to monitor your hydration is by checking the color of your urine:
 - Clear to light yellow: Properly hydrated.
 - Darker yellow or beyond: You need to drink more water or isotonic fluids.
- Stay vigilant about your fluid intake to prevent cramping or heat-related issues.

Apparel Recommendations

- Wear light-colored, breathable clothing and avoid dark colors that absorb heat.
- Caps, visors, and sunglasses are recommended for sun protection.
- Bring towels to wipe off sweat and stay comfortable.

Preventing and Managing Cramps

- Proper stretching before and after matches is essential. If you're unsure of the best techniques, don't hesitate to ask a crew member or volunteer for advice.
- Use the Player Lounge strategically to cool down but return outside to maintain body temperature if you have another match shortly after.
- Ice will be available on-site to help manage cramps or injuries. Approach the organizers if you need assistance.

FOOD AND DRINKS

Staying nourished and hydrated is key to maintaining peak performance throughout the tournament. Here's what you need to know about food and drink options at the venue.

On-Site Restaurant

The restaurant within the National Tennis Centre offers a range of meals and beverages. Operating hours are from 8:00 AM to 6:00 PM, making it convenient for players and spectators to grab a bite.

Nearby Food Stalls

For those looking for different dining options, there are food stalls located a short 5-minute walk from the venue, near the local bus station.

Water and Ice

- **Hydration Stations:** Water coolers will be available at the player's lounge.
- **Ice Packs:** Available on request for injuries or to help cool down between matches.
- **Hydration salts:** Available on request.

Bananas

- Bananas are available to all players.

Additional Tips

Bring your own sports drinks and snacks to supplement what is available on-site. Energy bars, isotonic drinks, and quick snacks can help you sustain energy levels throughout the day.

Important Advice!

Do not eat a heavy meal in-between your matches. Over the years, we have noticed many players suffering from cramps because they ate too much and drank too little. It will be hot, so listen to your body.

LIST OF ITEMS TO BRING

Packing the right items can make your tournament experience smoother and more comfortable.

Here's what we recommend:

1. Sunblock
2. Cap or visor
3. Light-colored t-shirts (bring a few)
4. Extra socks and shorts
5. Soap and shampoo (showers are available)
6. Towels
7. Sports drinks (e.g., Gatorade, 100Plus)
8. Water bottle to refill water
9. Energy snacks (e.g., power bars)
10. Kain pelikat or prayer mat for prayers (surau is available)
